Secretary General of Sport

# Contents

- Vision
- Basic documents
- Sport typology
- Sport facilities
- Funding
- General Secretariat of Sport
- National & International cooperation
- Olympic medals
- Mapping ESC to Sport Laws

# Vision

# Vision

**Development of sport is an issue of public interest due to its contribution to social and national welfare, mainly for four reasons:**

## Health

- Promotion of the health of society. From children to pensioners. Resources that go to sports are an investment, not a cost

## Values

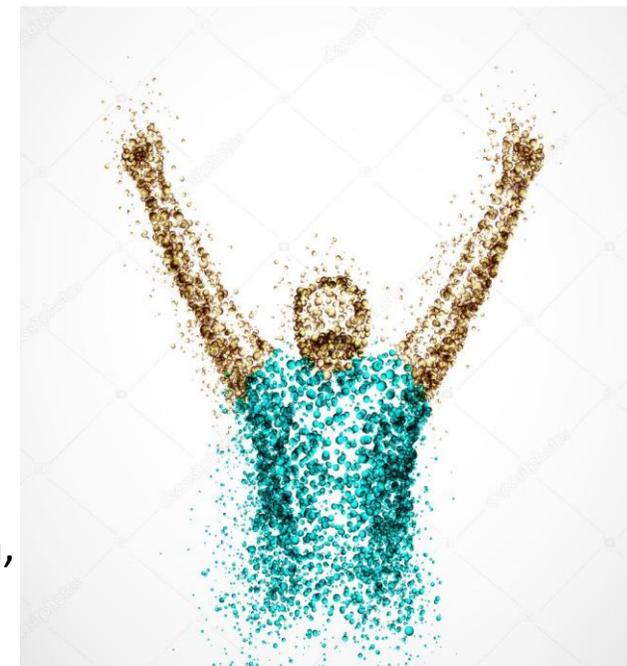

- Sport as a social tool. Empowering values and skills (especially in young generations), addressing threats in sport, emphasis on sports integrity.

## Development

- Sports tourism, hosting of events, exploitation of competitive advantages (tradition, climate, morphology, infrastructure, know-how...)

## Country image

- Competitive sports, active participation in decision-making centres

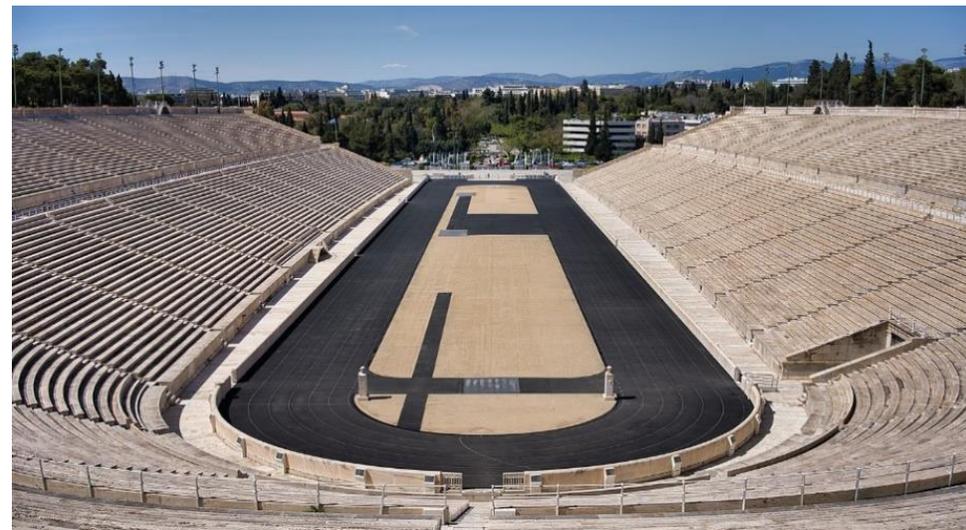

# Basic documents

# Constitution

- Article 16, Paragraph 9 of the Greek Constitution:
- *"Sport is under the **protection and supreme supervision** of the State. The State subsidizes and controls the associations of sports clubs of all kinds, as defined by law. The law also determines the allocation of the aid granted each time to the subsidized associations according to their intended purpose."*

# Laws

- Law 2725/1999
  - Basic sport law originated in 1999 and seriously amended since then
  - 140 articles, > 200 pages A4
- Law 4639/2019
  - Ratification of Macolin Convention, Statue of Hellenic Olympic Committee
- Law 4726/2020, law 4809/2021
  - EPATHLA: National platform against manipulation of sport competitions
- Law 4901/2022
